The Ritzzy Gritz New Mexican Grill

"Our menu is derived from contemporary Mexican and Southwestern American cuisine.

All Mexican dishes are presented in "Californian" style (freshly cooked and mildly spiced). There is no chilli when most dishes are presented.

We allow you to blend in your own level of heat and can provide sides of normal Chilli sauce, sliced jalapeno or if you like it hot we have our house **Poppy's Hot Chilli sauce which is extra hot.**

Thank you for dining with us. If there is anything not up to your expectation, please let us know as we do not wish to have disappointed patrons.

**We look forward to your return visit
your hosts**
